TRAVELING INSTRUCTIONS TO THE SHOW

The show will be held at the Johnson Hall, Placer County Fairgrounds, 800 All America City Blvd., Roseville, CA. 95678
DIRECTIONS TO Jones Hall, Placer County Fairground (Go to 'WWW.MAPOQUEST.COM' for additional directions):

FROM SAN FRANCISCO BAY AREA:

If traveling through Sacramento between 2:30 and 6:00 pm traffic can be very heavy I-80 East towards Roseville. This route misses the congestion between Sacramento and Roseville on I-80. There are some stop signs on this two lane road.

- 1) I-80 East to
- 2) I-5 North to
- 3) Highway 99 towards Yuba City/Marysville
- 4) Turn right on Riego Road which is the second stop light.
- 5) Go approximately 12 miles to Junction Blvd (3rd traffic light)
- 6) Turn left on Junction Blvd
- 7) Turn Right on Washington Blvd.
- 8) Turn Right on Corporation Yard Road
- 9) Turn left at the Armory Entrance. Johnson Hall is ahead and to the left (Across from Jones Hall).

An alternate route, but can be heavy with congestion.

- 1) Take I-80 East- be sure to take I-80 Reno exit after the causeway to avoid downtown Sacramento.
- 2) Stay on I-80 through Roseville
- 3) Take Highway 65 North
- 4) Exit at Pleasant Grove Blvd and go west (left).
- 5) At Washington Blvd. go left.
- 6) Just Past the AM/PM turn right on Corporation Yard Road
- 7) Turn left into Armory Entrance. Johnson Hall is ahead and to the left (Across from Jones Hall).

Lost? Call 916 847 4568 for help.

FROM SAN JOSE:

Take your pick! The alternate route with through Stockton is horrible on Fridays on I-580 east of I-680 in Dublin. If you take this route please be on the road just after lunch. Road construction on I 205 in the Tracy area may make the primary route a little tougher this year.

Primary Route: This route misses the congestion between Sacramento and Roseville on I-80. There are some stop signs on this two lane road.

- 1) I-680 North to
- 2) I-80 East to
- 3) I-5 North to
- 4) Highway 99 towards Yuba City/Marysville
- 5) Turn right on Riego Road which is the second stop light.
- 6) Go approximately 12 miles to Junction Blvd (3rd traffic light)
- 7) Turn left on Junction Blvd
- 8) Turn Right on Washington Blvd.
- 9) Turn Right on Corporation Yard Road
- 10) Turn left at Armory Entrance. Johnson Hall is ahead and to the left (Across from Jones Hall).

Alternative Route through Walnut Creek

- 1) I-680 North to
- 2) I-80 East, be sure to take I-80 Reno exit after the causeway to avoid downtown Sacramento
- 3) Just past Roseville take Highway 65 North
- 4) Take the Pleasant Grove Blvd exit and go left
- 5) Turn left on Washington Blvd
- 6) Just beyond the AM/PM turn right on Corporation Yard Road
- 7) Turn left at the Armory Entrance. Johnson Hall is ahead and to the left (Across from Jones Hall).

Through Stockton:

- 1) I-680 towards Sacramento
- 2) In Dublin take I-580 East to
- 3) I-205 to
- 4) I-5 North to
- 5) Highway 99 towards Yuba City/Marysville
- 6) Turn right on Riego Road which is the second stop light.
- 7) Go approximately 12 miles to Junction Blvd (3rd traffic light)
- 8) Turn left on Junction Blvd
- 9) Turn Right on Washington Blvd.
- 10) Turn Right on Corporation Yard Road
- 11) Turn left at Armory Entrance. Johnson Hall is ahead and to the left (Across from Jones Hall).

Lost? Call 916 847 4568 for assistance.

FROM SHASTA or OREGON AREA:

- 1) Take I-5 South towards Sacramento
- 2) Just past the Sacramento Airport take the Highway 99/70 exit towards Yuba City/Marysville
- 3) At the second stoplight turn right on Riego Road.
- 4) Go approximately 12 miles to Junction Blvd (3rd traffic light)
- 5) Turn left on Junction Blvd
- 6) Turn Right on Washington Blvd.
- 7) Turn Right on Corporation Yard Road
- 8) Turn left at Armory Entrance. Johnson Hall is ahead and to the left (Across from Jones Hall).

FROM FRESNO AREA:

Two choices, neither of which is good during afternoon rush hour.

First choice:

- 1) Take Highway 99 North to Stockton
- 2) Take Highway 4 West to I-5 North
- 3) Take I-5 through Sacramento and past I-80.
- 4) Take Highway 99/70 towards Marysville/Yuba City
- 5) At the second stoplight turn right on Riego Road.
- 6) Go approximately 12 miles to Junction Blvd (3rd traffic light)
- 7) Turn left on Junction Blvd
- 8) Turn Right on Washington Blvd.
- 9) Turn Right on Corporation Yard Road
- 10) Turn left at Armory Entrance. Johnson Hall is ahead and to the left (Across from Jones Hall).

Second Choice:

- 1) Take Highway 99 North to Sacramento.
- 2) Just beyond 12th Avenue stay to the left as Highway 99 becomes Business 80/Capital City Freeway.
- 3) Follow the Capital City Freeway to I-80 East
- 4) Just beyond Roseville take Highway 65 North
- 5) Take the Pleasant Grove Blvd exit and go left
- 6) Turn left on Washington Blvd
- 7) Just beyond the AM/PM turn right on Corporation Yard Road
- 8) Turn left at the Armory Entrance. Johnson Hall is ahead and to the left (Across from Jones Hall).

FROM SOUTHERN CALIFORNIA AREA:

- 1) Take I-5 North towards Sacramento
- 2) Go through Sacramento, go past I-80 and take hiway 99/70 towards Yuba City/Marysville
- 3) At the second stoplight turn right on Riego Road.
- 4) Go approximately 12 miles to Junction Blvd (3rd traffic light)
- 5) Turn left on Junction Blvd
- 6) Turn Right on Washington Blvd.
- 7) Turn Right on Corporation Yard Road
- 8) Turn left at Armory Entrance. Johnson Hall is ahead and to the left (Across from Jones Hall).

Lost? Call 916 847 4568 for assistance.

FROM RENO:

- 1) Take I-80 West.
- 2) Just beyond Rocklin Road take Highway 65 North
- 3) At the second exit turn left on Pleasant Grove Blvd.
- 4) Turn left on Washington Blvd
- 5) Just beyond the AM/PM turn right on Corporation Yard Road
- 6) Turn left at the Armory Entrance. Johnson Hall is ahead and to the left (Across from Jones Hall).

FROM LAKE TAHOE AREA:

- 1) Take US-50 West towards Sacramento
- 2) Just beyond Folsom take the Hazel Avenue exit and turn right.
- 3) Hazel Ave becomes Sierra College Blvd.
- 4) At East Roseville Parkway turn left.
- 5) At Pleasant Grove Blvd turn left.
- 6) At Washington Blvd. turn left.
- 7) Turn Right on Corporation Yard Road
- 8) Turn left at Armory Entrance. Johnson Hall is ahead and to the left (Across from Jones Hall).

Lost? Call 916 847 4568 for assistance.

Camellia Koi Club
11th Annual Sacramento
Combined Koi Show and Vendor Faire
SEPTEMBER 18 – SEPTEMBER 19, 2010

ENGLISH STYLE OPEN KOI SHOW:

This show is an English style of competition for all varieties of koi where each entrant's koi are kept together in that entrant's tank(s). The competition is open to all hobbyists and exhibitors whether or not members of a recognized Koi club or society.

Once a Koi has won Grand Champion at a Koi Show sponsored by the Camellia Koi Club, it is no longer eligible in that category in subsequent CKC shows. The winner of the Best Eye award may not compete in that category in subsequent shows.

KOI FISH REGISTRATION AND IDENTIFICATION:

Check in of Koi for all entrants will be available on Friday by appointment, and Saturday between 7AM and 9:00AM. Late arrivals after 9:00AM Saturday will neither be accepted nor judged.

We will be taking digital photos of all koi entered into the show. Fish identification, not including owner's name(s), will be printed and hung on the side of the tank using these digital photos. After judging is complete updated identification listing award(s) will be printed and hung for public viewing.

CONDITION OF FISH DURING TRANSPORTATION AND EXHIBITION AT THE SHOW

Very Important: For the health and safety of your fish, **DO NOT FEED THEM FOR 5 DAYS PRIOR TO THE SHOW**. Fish with undigested food require more oxygen, excrete contaminants into the water, and are more easily stressed. Be sure that your koi are in good health.

KOI WITH SIGNS OF SICKNESS OR PARASITES WILL BE DISQUALIFIED!

Look your Koi over carefully top to bottom before you bring them. This year we will be more strict than ever so even a wound or sore that is healing will disqualify a koi. The decision of the Show Chairman will be final in this matter. If you live in the greater Sacramento area, you will be asked to take your disqualified koi home immediately. **Injuries considered temporary in nature would be overlooked.**

Camellia Koi Club

11th Annual Sacramento

Combined Koi Show and Vendor Faire

SEPTEMBER 18 – SEPTEMBER 19, 2010

HANDLING DURING TRANSPORTION AND EXHIBITION

Only the members of the koi show fish handling committee will handle fish during the show. Anyone wishing to inspect fish must receive permission from the Show Chairman.

The exhibitors are expected to provide a blue plastic tub and a koi net of the proper type and size for each tank of fish in that exhibit. However, if the exhibitor has more than one fish entered into the same size and class, additional nets and tubs would be appreciated to facilitate the judging. The benching team will label each piece of equipment for use by tank number.

TANK LOAD OVERCROWDING FORMULA

The number of fish allowed in one 6' tank is based upon the following 100 points formula. Exhibitors will be allowed to put up to 100 points of fish in one 6' show tank. Exhibitors will be required to put any fish that exceed the 100 points formula into a separate tank. Please estimate your exhibit and reserve the correct number of tanks when you submit your registration so that we can hold them for you. If you exceed 100 points and no unreserved tanks are available to accommodate, the excess fish will be returned to you. The Show Chairman may decide close borderline situations based upon maintaining show water quality standards. The decision of the Show Chairman is final.

Tank Load Formula:

Each fish over 27 inches	25.0 points
Each fish 24-27 inches	20.0 points
Each fish 21-24 inches	15.0 points
Each fish 18-21 inches	12.0 points
Each fish 15-18 inches	9.0 points
Each fish 12-15 inches	6.0 points
Each fish 9-12 inches	3.0 points
Each fish under 9 inches	1.5 points

ACCEPTANCE OF FISH INTO THE COMPETITION

After checking in with the registration committee, paying fees and receiving the fish's exhibit number, exhibitors must remain in the area until the fish has been accepted into the competition and placed into the exhibition tank by the benching team. Entrants having multiple tanks may designate which of their koi go into which tank as long as the tank load criteria are maintained. Fish must not be moved without notifying the registration desk. Fish that are not in their registered exhibition tank at the time of judging will not be judged.

After registration, the benching team completes a load estimate sheet. Each fish will be measured and assigned a class. Only the Show Chairman's designated handlers will handle all Koi. Each fish will receive a health examination for signs of disease and/or parasites. Fish that fail the health examination will be disqualified. The Show Chairman will resolve questions about health or classification eligibility of the koi. The decision of the Show Chairman is final.

All entries must be left on exhibit for the duration of the show until approximately 3pm Sunday.

All reasonable precautions will be taken to provide a healthful environment and to safeguard the koi during the show. However, registration is completed with the understanding that the participant agrees to hold the Camellia Koi Club, the AKCA, Placer County Fair their officers, directors, and members, harmless against any loss, sickness, or injury to the fish.

Camellia Koi Club

11th Annual Sacramento

Combined Koi Show and Vendor Faire

SEPTEMBER 18 – SEPTEMBER 19, 2010

RELEASE OF FISH AFTER THE SHOW

At the close of the show, Sunday about 2PM, each participant will be polled to ensure that all their koi are in their assigned tank(s). All entrants must be present at that time to gather and claim their koi. Even though no koi except for Grand Champion and Runner-Up Grand Champion should have been moved out of their assigned tanks, no Koi will be allowed to be bagged or removed until all koi are identified to the satisfaction of all entrants, and officially released by the Show Chairman. Out of Towner's will be given priority for koi removal and CKC members will assist them as desired. At the close of the show, the show committee will provide oxygen and rubber bands and carts for you to transport your fish to your vehicle. Plastic bags will be for sale at the show booth for 50 cents each. All fish must be packed and picked up at 3:00 pm Sunday, September 19, 2010. Any fish unclaimed by 3:00 pm will be considered a donation to the Camellia Koi Club and will be auctioned to the highest bidder.

JUDGING THE COMPETITION

This show uses the English style of judging. Exhibitors are assigned an exhibition tank provided by the club for their fish. The fish remain in the assigned tank for the entire term of the show. Winning fish will not be transferred to tanks with fish of other exhibitors. Trophy winners may be transferred to other unoccupied tanks with the permission of the owner. Equipment used to handle the fish will not be exchanged with other tanks unless sterilized. Only the fish handlers and Judges are permitted to catch and touch the fish. All persons will sterilize equipment and their hands between handling fish from different tanks.

Prior to judging, the Show Chairman will verify that all Koi are entered in their proper class and size. If an error is discovered prior to Judging corrections will be made, errors discovered during judging will be corrected during judging if it is possible without disrupting the flow of the show.

Judging will begin at 9:45 am Saturday, September 18, 2010. Judges are from the Zen Nihon Nishikigoi Shinkokai. The competitive decision of the Judges is final. Only those persons with an assignment directly related to supporting the competition are allowed in the show circle of tanks during judging. Any situation involving a fish entry not clearly covered by these rules will be decided by the Show Chairman.

During judging efforts will be made to allow participants to listen to the Judge's comments. However, all participants and spectators must refrain from communicating with the Judges. As in golf, quiet is required in the judging area.

Judges will award 1st, 2nd, and honorable mention according to the show registration schedule. Unhealthy fish will be disqualified. Permanently disfiguring scars or deformities will lower the competitive score. Injuries considered temporary in nature would be overlooked. If errors are discovered, the Judges may make corrections to measurements and classifications but are not required to do so. All classes with entries will be judged. If there are several highly competitive fish in a class, the Judges may award more than one honorable mention.

All fish that receive first prize in class are eligible to compete for Best in Size trophies and higher awards. The Judges will allow move ups only for the higher trophy awards of Grand Champion, and Reserve Champion. Winners of the Best in Size and Best Tategoi will win the trophy and also retain the first place in class.

The Judge's Award (if provided) will be chosen by the Judges for a fish of merit. Other awards, such as friendship awards may be donated. Any other trophies and recognition may be awarded according to the rules selected by the representatives appointed by the donor/sponsors of the award.

Combined Koi Show and Vendor Faire
SEPTEMBER 18 - SEPTEMBER 19, 2010

DIVISIONS

In an effort to allow all those who are interested in showing their Koi an opportunity to satisfy that desire the 2010 Sacramento Combined Koi Show will have two Divisions where Koi may be entered. There will be an Open Division and Club Member Only Division

OPEN DIVISION

This is open to anyone. You may be a high end hobbyist who enters Koi in many Koi Shows a year, employed by a Koi Dealer, related to a Koi Dealer, Builds Koi Ponds, etc.

Club Member Only Division

This is open to any member of the Camellia Koi Club.

Please bring your own net and tub for use only with your fish.

10th Annual Sacramento Combined Koi Show and Vendor Faire SEPTEMBER 12 - SEPTEMBER 13, 2009

Koi Classifications:

The following description of each class is for the use by the Koi enthusiast to classify their own fish. This provides a general description of Koi belonging to different class categories. When filling out your entry form, use this list and do the best you can to determine what classification your entries belong in. The benching team will make the final determination.

NOTE: Bekko will be judged in the Kawarigoi class, koi with two rows of Kin/Gin Rin scales must complete in Kin/Gin Rin, and Doitsu must complete in Doitsu class.

GOSANKE: Kohaku, Sanke, Showa varieties of koi.

NON-GOSANKE: All remaining varieties of koi other than Gosanke.

KOHAKU: Non-metallic white body with a red pattern.

SANKE (Taisho Sanshoku): Basically a Kohaku with sumi (black) markings from the shoulder back.

SHOWA (Showa Sanshoku): Non-metallic black koi on which white and red color patterns are imposed.

UTSURI: Non-metallic black body, which carries a second color, which may be white, red, or yellow.

ASAGI: Lower half of the koi should be orange; above the lateral line the koi is light blue with the scalation of a net pattern.

SHUSUI: German scale version of the Asagi.

KOROMO: The base of this koi is that of a kohaku, but with the scalation on the red pattern outlined with a darker color (i.e.: blue).

GOSHIKI: The base of this koi is that of a kohaku, but with five colors. The colors being white, black, red, indigo, and light blue.

KAWARIGOI: All other non-metallic koi such as midori, matsuba, ochibashigure, and kumonryu.

BEKKO: Koi with either a white, red or yellow body with black patterns.

HIKARI MUJI: Metallic single colored koi including Matsuba and Yamabuki.

HIKARI UTSURI: Metallic black body, which carries a second color, which may be white, red, or yellow.

HIKARI MOYO: Metallic with a two-colored patterns other than black.

TANCHO: A white based koi with a red pattern only on the head. The tancho sanke, showa and goshiki have normal black markings of their variety, but again the red is only on the head.

KIN/GIN RIN: Koi as above, but with added golden silver scalation. A glittering koi. Scales may be highly reflective at the tips or they can have a mother-of-pearl shine.

DOITSU: Any of the Koi above that have either no scale at all and are referred to as “leather carp” or have a line of large scales along their lateral and dorsal lines and are referred to as “mirror carp”.
